Nguyễn Tuấn Tài

FRONT-END DEVELOPMENT INTERN CANDIDATE

nguyentuantai956@gmail.com

PROFILE

Third-year Software Engineering student at VNUK seeking a front-end or web development internship. Building foundational skills in HTML, CSS and Git through coursework and a personal portfolio. Keen to learn from a development team and contribute to practical web projects.

EDUCATION

VNUK

Software Engineering | Third-year undergraduate student

TECHNICAL SKILLS

HTML / CSS / Git

COURSEWORK & PROJECTS

GitHub Flow & Static Website

Coursework | HTML, CSS, Git, GitHub Pages

- Practiced branch-based development, commits and pull requests in a web development lab.
- Worked through merge conflicts and published a static Coming Soon webpage with GitHub Pages.

Personal Portfolio Website

In progress | HTML, CSS, Tailwind CSS, Vite

- Setting up a personal portfolio using HTML, CSS, Tailwind CSS and Vite.
- Planned scope: responsive layouts, About Me, contact links and a downloadable CV.
